Worn Out Plumbing

The running expenses of a house are largely increased by worn-out or poor plumbing. Either causes annoyance—usually at the most inconvenient time. An estimate for replacing such plumbing with the modern, peace of mind kind will cost nothing, and I'll guarantee the price will be reasonable.

CONNECTICUT LEGISLATURE

Tuberculosis Bill Passes Senate—Salaries of Clerks of Courts—The Adjournment Question.

Hartford, June 17.—The senate was called to order at 11:15 by President 170 Tem Brooks. Prayer by Chaplain Sexton.

Trustees of Storrs College.

On the motion of Senator Lattimer the report of the committee on senate appointments on appointment of trustees of the Connecticut Agricultural College at Storrs was taken from the table. The report was explained by Senator Middleton, on whose motion the appointments were made by a unanimous vote in each instance. The trustees appointed are Charles A. Capen of Windham and Charles M. Jarvis of Berlin, both for four years.

Unclaimed Deposits Bill.

Senator Goodwin called from the foot of the calendar the bill concerning the escheating of bank deposits to the state that have been unclaimed for thirty years. Senator Goodwin explained the bill, on which the committee on banks had reported unfavorably. He said that the amount of unclaimed deposits in savings banks is about \$125,000 and it is estimated that at the end of thirty years it will be about \$90,000. The bill would cause a loss to poor, ignorant depositors. The savings banks are at the time making courts to discover persons entitled to and unclaimed deposits. The bill proposed that the state should pay only 3 percent on deposits, while the savings banks of the state paid 4 percent, as a rule.

Senator Searis offered an amendment that the state be required to pay a rate of interest at 4 percent. The senator offered another amendment for the publication in six daily newspapers of the state of the names of the depositors and the amount of the deposits.

On the motion of Senator Fenn the bill and the amendments were tabled for printing and for the foot of the calendar.

Tuberculosis Bill Passed.

On the motion of Senator Phillips the tuberculosis bill, tabled on Wednesday, was passed, and on the motion of Senator Blakeslee the rules were suspended and the bill transmitted to the clerk of engrossed bills.

Reports of Committees.

Incorporations—Favorable on resolution validating the organization of the Jewell Belting company, amending the charter of the Willimantic Gas and Electric Lighting company, extending the time for the organization of the Connecticut Lawyers' Title Insurance company.

\$7,000 for Day-Kimball Hospital. The committee on appropriations reported favorably on a bill making an additional appropriation of \$7,000 for the Day-Kimball hospital at Putnam. Calendar.

Settlement of Estates.

The following bill was passed: Whenever, in the distribution of any estate in the probate court, there shall be set out either real or personal property to one for life, and after the decease of the life tenant to the tenant's heirs, the word "heirs" shall be prima facie evidence that the estate is set out and vested in the children of the life tenant.

Salaries of Clerks of Courts.

The following bill was passed: Section 1. Section one of chapter 170 of the public acts of 1907 is hereby amended to read as follows: The clerks of the courts of common pleas and their assistants in the several counties, and the clerk of the district court of Waterbury and his assistant shall receive the following annual salaries, to be apportioned among them by the judge or judges of said courts in the respective counties: In the county of Hartford \$3,500; in the county of New Haven, clerk of civil side \$3,500, and clerk of criminal side \$2,000; in the county of Fairfield, clerk of civil side \$4,000 and clerk of criminal side \$1,500; in the county of New Canaan, clerk of civil side \$2,500 and clerk of criminal side \$500; in the county of Litchfield, \$2,000; in the district court of Waterbury, clerk of civil side \$3,000 and clerk of criminal side \$500. Sec. 2. This act shall take effect July 1, 1909. Adjourned to Tuesday.

THE HOUSE.

Speaker Banks called the house to order at 10:30, and Chaplain Countryman offered prayer.

The Adjournment Question. Speaker Banks said that at the time of adjournment Wednesday the matter before the house was a motion by

Mr. Chandler of Rocky Hill that the house reconsider suspending the rules in transmitting to the senate the resolution as to adjournment July 15th. This would be the first business, the speaker said. Mr. Chandler said that action just then would disclose a lack of quorum and he tabled the motion till 11 o'clock, when it was to be deemed the order of the morning.

Unfavorable Reports.

Appropriations for St. Joseph's hospital at Willimantic; report accepted, bill rejected. Finance—Concerning the collection of taxes; report accepted and bill rejected. A number of similar bills were rejected. Labor—Concerning employment of women and children; report accepted, bill rejected.

Favorable Reports.

Roads, rivers and bridges—Biennial report of the highway commissioner, sent to office of the secretary of state; and an act concerning the layout of highways, calendar. Appropriations—Appropriating for the executive departments for two years ending September 30, 1911.

Armory at Danielson.

Mr. Chamberlain of New Britain explained the favorable report of the committee on appropriations for the purchase of a building for an armory at Danielson. He said that the price was \$15,000, and was extraordinarily small, a bargain. The report was accepted and the resolution was adopted.

Order of the Day.

Speaker Banks returned to the chair at 11 o'clock, and put the question on Mr. Chandler's motion to reconsider the action in transmitting to the senate. A viva voce vote was said by the speaker to be in the affirmative, but it was doubted by Mr. Parker of Hartford. A rising vote resulted in 102 for and 43 against.

Mr. Chandler said that the house would be remembered in Connecticut, not by the date on which it adjourned, but by what the house did. (Applause.) He proposed adjournment on July 15, and moved to reconsider that vote. He urged chairmen to expedite their business.

Mr. Parker said that time had been wasted in debates and in taking recess. An effort should be made to expedite business. Connecticut was a serious business. The time had been taken on a subsidiary motion, when the merits of the bill were discussed, not the motion. (Applause.) Mr. Parker moved, at the previous question, that there was a strong vote against this, and a strong one for it. Mr. Bishop rose to ask a parliamentary question as to a joint resolution.

A vote by voice on the motion to reconsider was said by the speaker to be

lost. It was doubted, and the rising vote was 75 to 54.

Mr. Parker moved that the rules be suspended and the motion transmitted. Or a motion to suspend a two-thirds vote is needed, and the motion was declared lost, as the vote was 75 to 54. The matter was temporarily tabled.

Favorable Reports.

Appropriations—Appropriating for state armory at Storrs, calendar; appropriating for a state armory at Torrington, calendar; additional appropriation for St. Joseph's hospital at Willimantic.

Railroads—Incorporating the Attitash Street Railway company, calendar. Adjourned.

Rich or poor or proud and handsome,
Even you can read this Chanson,
By no law of luck or chances,
Every tooth you save enhances,
All your smiles and conversation,
Renders joy to all relations,
Don't despair when teeth are aching,
Save them, all their shapes making,
Life's prolonged and health extended,
Every time a tooth is mended,
You will find your joy remedied,
Dentist I "my crown" reveals it,
Every art by art conceals it,
Nature gave all in good season,
Teeth to eat with, minds to reason,
Is it her fault, yours or mine,
S hall their loss be mine or thine,
Thou shalt know in all good time.
